

Taijiwuxigong® is a form of qigong (energy cultivation exercise) developed by the late Dr Shen Hongxun for the purpose of improving and sustaining health and happiness. It works with the body's own energy system, identifying areas of stagnation and unblocking these to bringing the body and mind back into a peaceful and harmonious state.

Teacher – Nicci van Dyk has over 10 years of experience practicing tai chi and qigong under Paul Brewer (Heaven Mountain Tai Chi, UK), Master Shen Jin (Buqi Institute, Gent) and various other teachers associated with Dr Shen Hongxun's system. She was given permission to teach Taijiwuxigong® and Taiji 37 in 2017. Nicci is currently in her final year of a Chinese Medicine (Acupuncture) degree. Her teaching focuses on the details of Dr Shen's exercises while integrating Chinese Medicine theory with a view to helping students understand both how and why the exercises are effective.
